

# Threading Imagination

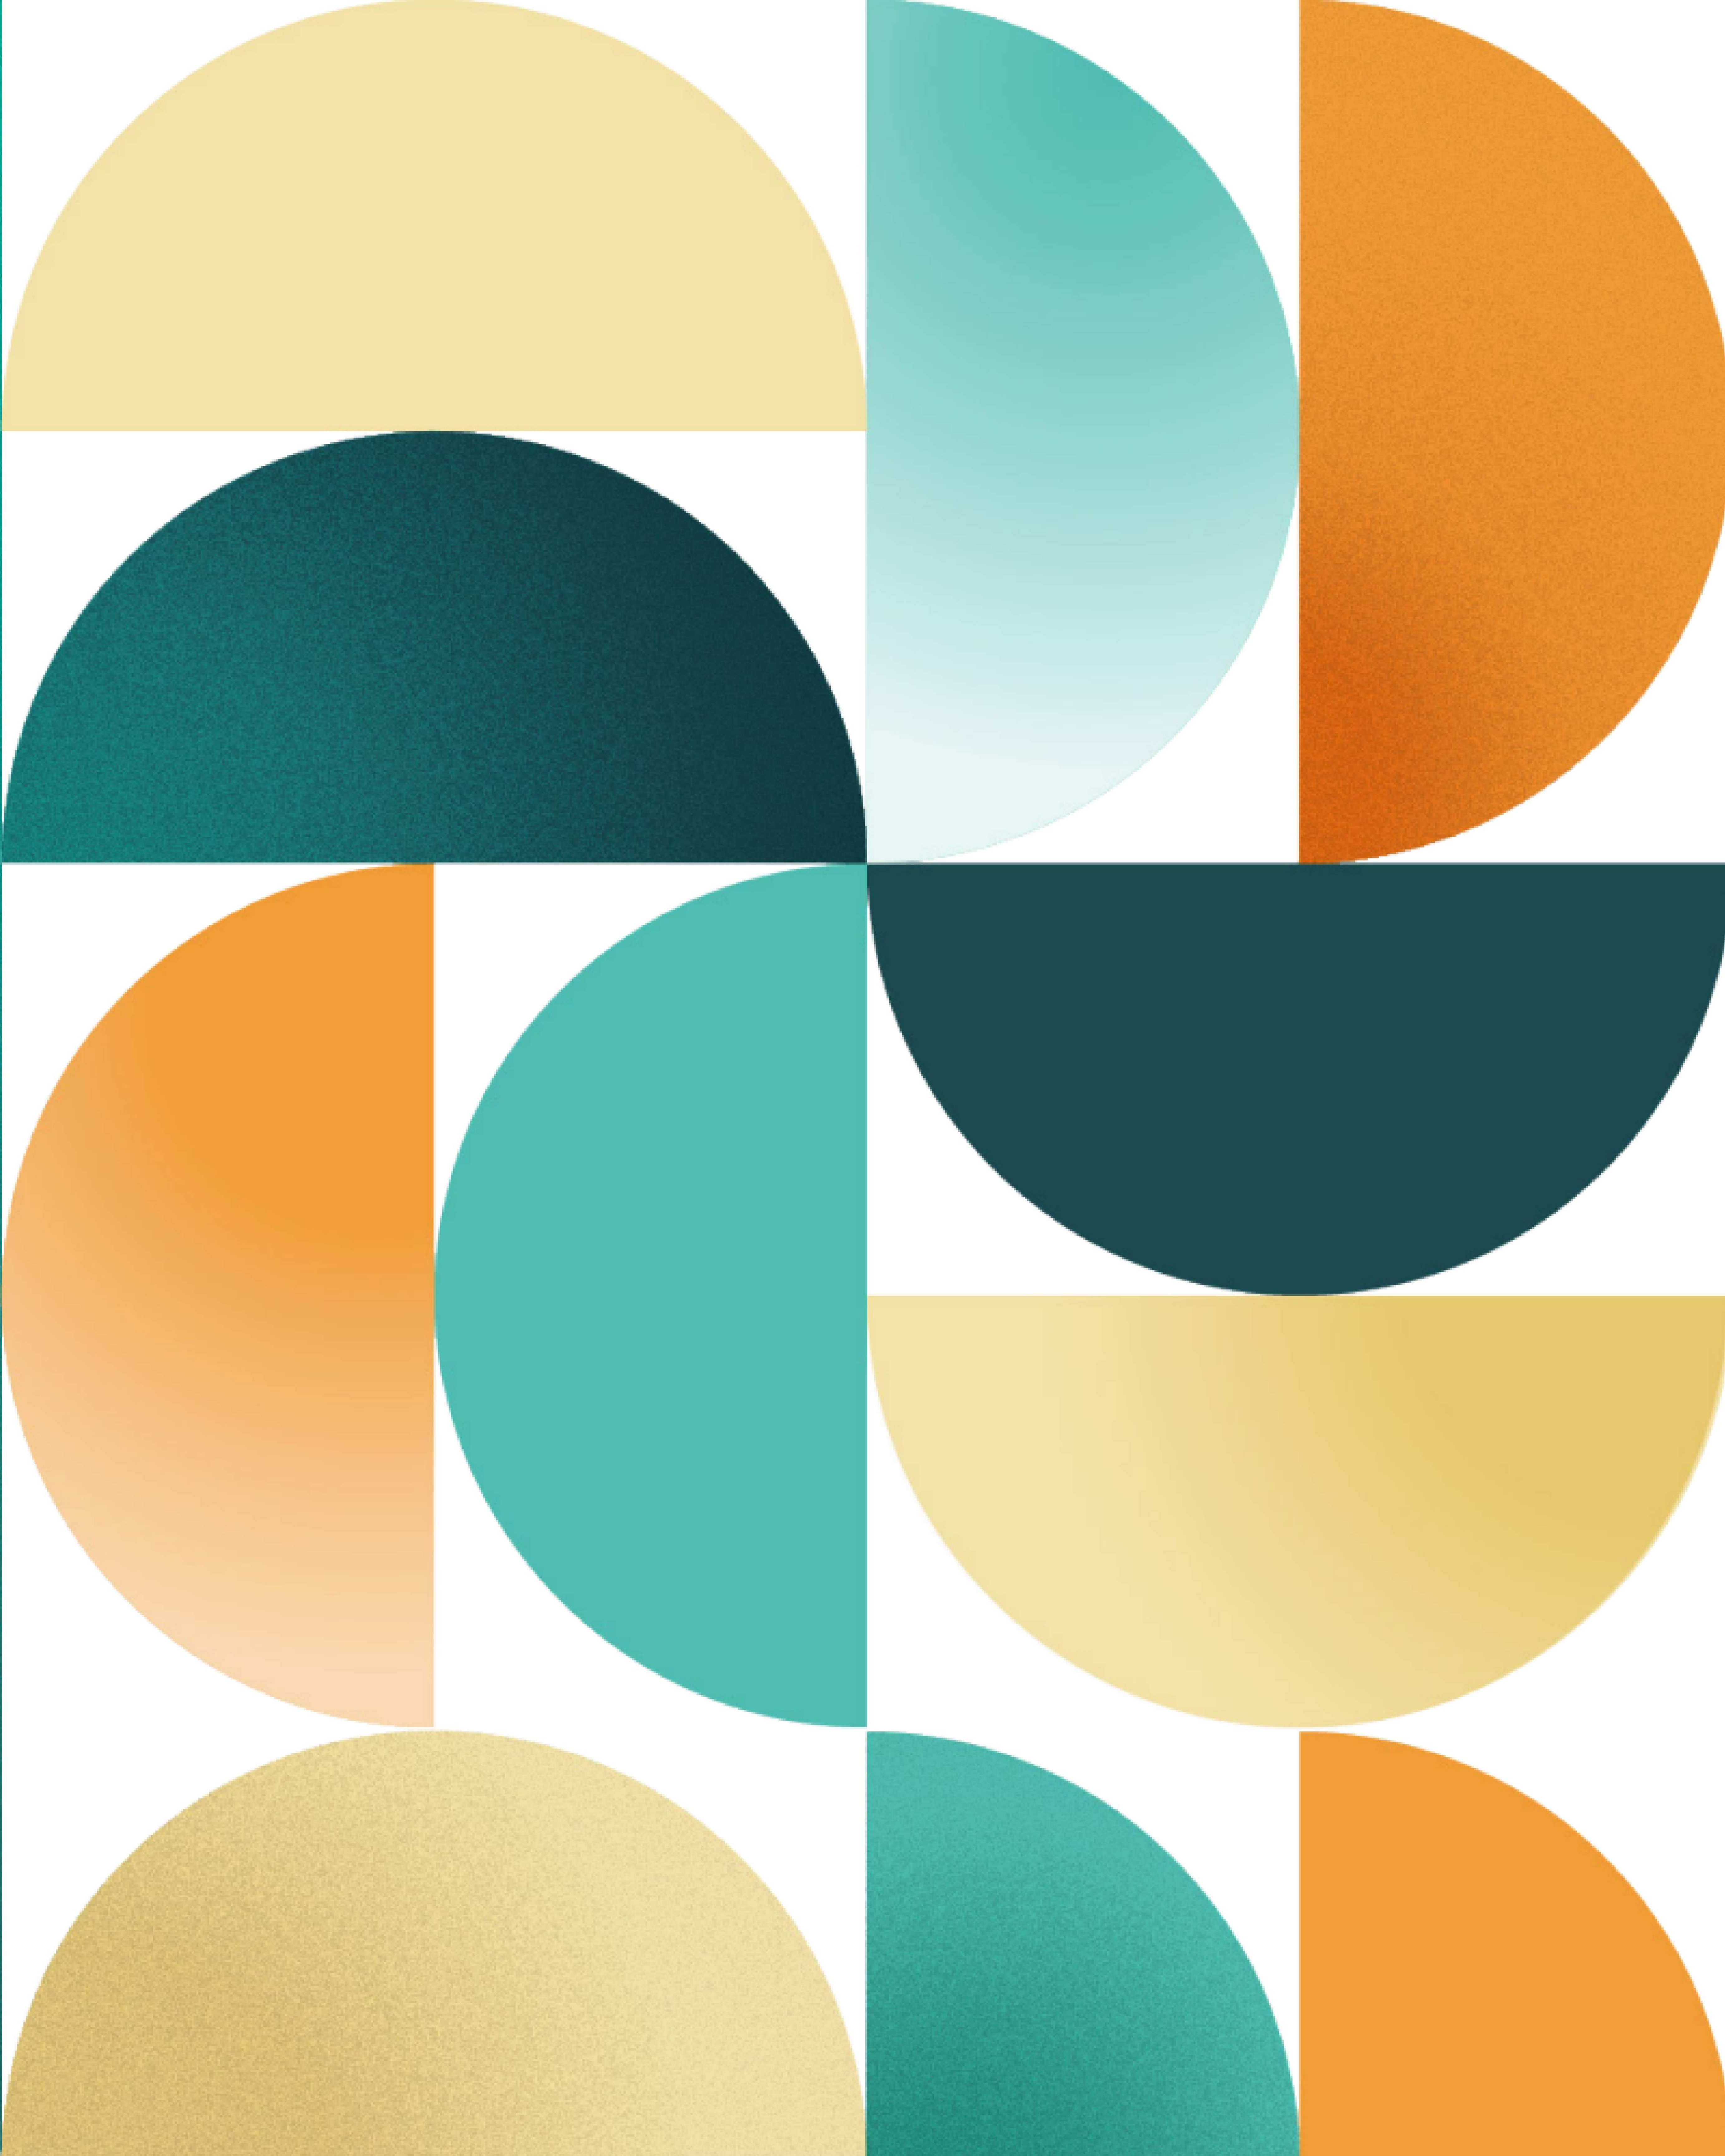

Membership Season Calendar

The Fountainhead Experience membership program connects you to incredible international artists and the Miami people you want to meet. This season, it's all about exploring the ties that bind us to one another, with artist-led studio visits of their most intimate domains, a peek at an intuitively built personal collection, and guided tours of the world-class collections of the Rubells and the Perez family, featuring numerous textile works.

Your Fountainhead Experience membership supports an organization that has been making an impact in Miami for 15 years. Donations are tax deductible.

**JOIN OUR FAMILY TODAY**
